

East Milton Square Parking And Access Study

When: one year, from June 2010 to June 2011.

Why:

- Improve access to East Milton Square for all modes of transportation.
- Address concerns regarding the parking supply in and around the square.
- Activate local open space within the Square.
- Foster the conditions for long-term economic diversity and vitality for area businesses.

Outcome: an actionable plan to address the goals outlined above.

Please come to our next public meeting. Watch for updates from the Town, in your local newspaper, and on the project website.

We want to hear from you:

The Town of Milton and the consultant team both believe that a project of this size must be done *with* the community and not *for* it.

We invite you to learn more about the project and become involved
